Sub: Nomination of participants for basic GPS/GIS training

Sir/Madam,

The Ugyen Wangchuck Institute for Conservation and Environmental Research, Lami Goempa, Bumthang will be conducting basic GPS/GIS training from 23rd to 27th March 2020.

The training will be intensive covering both theory and practical classes using mobile GPS and QGIS. The participants will have to pass the examination at the end of the training; failing which the participant will not receive the certificate.

Therefore, we would like to request you good self to kindly nominate one (1) official from your office. We would remain grateful if the nominated participants don't have prior knowledge and skill on GPS and GIS, and who haven't attended training in the past but should be computer proficient.

The participants will be provided with TADA (most direct route) and other training entitlements as per Financial Rules and Regulations of Bhutan-2016.

Please send your nomination through e-mail at trainingunit@uwice.gov.bt before 17th March 2010 please.

Many thanks for your continue support.

Sincerely,

(Jigme Wangchuk)

Offgt. Head (ES)
